Permission Form 2019-2020

Dear Parents and Guardians:

Your student's class is currently enrolled in the *JA Finance Park* program, an economic educational program that teaches middle and high school students about financial literacy and culminates in a visit to JA Finance Park.

- Students complete lessons encompassing financial planning and career exploration.
- At JA Finance Park, students receive a life scenario and use their knowledge to establish a monthly budget in a tablet-based program.
- Ultimately, students make decisions to care for their "virtual" family.

Please note below if your child has your permission to participate.

Please sign the form and return it to me by _____ . Thank You!
